EMPLOYMENT HISTORY

Factory worker and dispatcher at Íspan, Kópavogur

May 2018 — August 2019

During the summer and winter breaks I worked in the factory section of Íspan, a glass and mirror manufacturer. During my work I learned a lot about the manufacturing process and logistics.

Sales Representative at Tryggingamiðlun Íslands, Kópavogur

August 2017 — April 2018

Using my people skills and salesmanship I booked insurance meetings for a saleswoman with potential clients. This required listening and organizational skills to document all personal details during phone calls.

Volunteer at Jaguar Rescue Center, Costa Rica

February 2017 — March 2017

I volunteered at an animal sanctuary in Costa Rica. I tended to injured and abandoned monkeys as well as helping maintaining the animal facilities. During my stay in Costa Rica I had to be quick to adjust and have good communication skills.

Caretaker at Álfhólsskóli, Kópavogur

October 2016 — April 2017

As a caretaker my job was to help disabled children with homework and their social development. This job gave me a new perspective on education and how disabled children manage every day obstacles. This required great patience and communication skills.

Bed and breckfast guarantor at Geysir bed and breackfast, Southwestern Iceland

August 2016 — October 2016

Waiter at The Fish Market, Reykjavík

December 2014 — February 2017

I worked as a waiter at one of Icelands top rated restaurants. I had to be quick on my feet and solution oriented to make sure to give costumers the best experience possible.

EDUCATION

Industrial Engineering, B.Sc., University of Iceland, Reykjavík
